

QUESTIONNAIRE OF POPULATION AND HOUSING CENSUS 2011

From 1 till 21 October 2011, 12.000 enumerators throughout Albania will be knocking on your doors in order to carry out the Population and Housing Census. The Census is a complete count of all people, households and dwellings in Albania. The data to be collected by this questionnaire will provide valuable statistical information on the demographic and socio-economic reality of the country which will help in the planning of the needs and resources available for public services such as education, healthcare, transportation, housing, employment, etc.

CONFIDENTIALITY

In accordance with the Law No. 9180, date 5.2.2004, article 15, "On Confidentiality", the information collected will be used only for statistical purposes. These data are confidential and are also subject to the Law 9887 dated 10.03.2008 "On the protection of personal data", article 9, and will be held, processed and stored securely throughout the census processes. The collection, controlling, processing and analysis of the results will be in compliance with the Law on Statistics and the Law on the Population and Housing Census.

Population and Housing Census is the biggest statistical investment of a country. Your contribution to this process is crucial, so actively participate, and thus completing our own future

Thank you for your collaboration
