SCHEDULE

Prescribed by Regulations under the Census Act, 1920, as the form to be used for approximately nine tenths of the population in England (excluding Monmouthshire), for the purpose of returns in respect of (a) Private Households, and (b) Other persons in respect of whom no other form of schedule is prescribed.

For Enumerator's Use			
Census District No.		Enumeration District No.	
Name and postal address of householder or other person responsible for making the return.		
		
		

NOTICE

1. The Head, or person acting as Head, of a private Household is required by law to make a return in this form in respect of all persons (members of the household, including visitors, employees and boarders) who are present at midnight on the night of Sunday, 23rd April, 1961, in the dwelling, and all persons who arrive at the dwelling and join the household on Monday, 24th April, 1961, before the collection of the schedule, and who have not been enumerated elsewhere.

Note.—Any one or more persons separately occupying a house or part of a house, flat, apartment, etc., will be regarded as a separate household for Census purposes. Persons who usually have at least one meal a day provided by the household while in residence will be regarded as part of the household.

2. Every person is required by law to give to the person responsible for making the return such information as may be necessary to enable the return to be made. No use may, however, be made of such information by the person to whom it is given except for the purpose of making the return.

3. A person who has applied in the prescribed manner to make a separate confidential return will not be liable to give information to the Head; and in such case the person responsible for making the return will only be liable to include in his return in respect of that person the particulars required in Columns A and B within.

4. The schedule will be called for on **MONDAY, 24th APRIL**, by the appointed enumerator; in order that he may not be delayed it must be ready with the answers written in the proper columns early on the morning of that day. If the answers appear to be incomplete or inaccurate, the enumerator must ask any questions necessary to enable him to correct the schedule.

5. The person responsible for making the return may, if unable to deliver the schedule to the enumerator personally, arrange for some other person to do so on his behalf. If desired, the schedule may be handed to the enumerator under cover.

6. If any person whose duty it is to make a return or to give information refuses to do so, or wilfully gives false information, or uses otherwise than for the purpose of making the return any information given him for that purpose, he will be liable to a fine not exceeding **Ten Pounds**.

7. The contents of the schedule are strictly confidential.

E. M. T. FIRTH,
Registrar General.

- Members of H.M. Forces** should give the address of their married quarters or other home address.
- Resident Staff** should regard the private house, boarding house, or other premises where they live as their usual address.

(d) For persons with no settled address write "None".

(e) For boarders who have a settled residence with this household write "Here".

3. Age. (Column D)

- If the age is not known exactly, give it as accurately as possible.
- Even where the birthday is only a few days after Census day, the required age is the number of years at the last birthday and 11 months.
- For babies under one month old write "Under 1 month".

4. Marriage, etc. (Column E)

If a person is legally separated, not divorced, write "Married".

5. Children. (Column F)

6. End of first marriage. (Column H)
