Do NOT mail this form, your completed form will be picked up by a census worker.

The Census must count every person living in American Samoa on April 1, 2010.

Before you answer Question 1, count the people living in this house, apartment, or mobile home using our guidelines.

 Count all people, including babies, who live and sleep here most of the time.

The Census Bureau also conducts counts in institutions and other places, so:

- Do not count anyone living away either at college or in the Armed Forces.
- Do not count anyone in a nursing home, jail, prison, detention facility, etc., on April 1, 2010.
- Leave these people off your form, even if they will return to live here after they leave college, the nursing home, the military jail etc. Otherwise, they may be counted twice.

The Census must also include people without a permanent place to stay, so:

- here on April 1, 2010, count that person. Otherwise, he or she may be missed in the census.
- How many people were living or staying in this house, apartment, or mobile home on April 1, 2010?

Number of people

→ Please turn the page and print the names of all the people living or staying here on April 1, 2010.

Please fill out your form promptly. A census worker will visit your home to pick up your completed questionnaire or assist you if you have questions.

The U.S. Census Bureau estimates that, for the average household, this form will take about 64 minutes to complete, including the time for reviewing the instructions and answers. Send comments regarding this burden estimate or any other aspect of this burden to: Paperwork Reduction Project 0607-0860, U.S. Census Bureau, 4600 Silver Hill Road, AMSD-3K138, Washington, DC 20233.
