# POPULATION CENSUS QUESTIONNAIRE

October 1, 1970

Bureau of Statistics  
Office of the Prime Minister

---

## On the Population Census

---

The Population Census is to be taken throughout Japan as of October 1, 1970.

The Population Census, which has been conducted every five years since 1920, is one of the most important statistical surveys in this country and enumerates all inhabitants to investigate their demographic and socio-economic characteristics. Statistics to be compiled from the census returns will be used not only by the central and the local governments but also by the variety of other users.

You are requested to report in this questionnaire on all persons who usually live in your household. Please fill in the questionnaire before the enumerator will visit you again to collect it.

Your answers are confidential. This questionnaire will never be used but for statistical purposes. Please answer the questions to the best of your knowledge.

---

## Please read before filling-in.

---

- Fill in this questionnaire of all persons who usually live in your household.

Persons who usually live in your household refer to those who have been living, or are going to live, in your household for three months or more.

Special attention should be paid to the following cases.

- Persons who are temporarily absent from your household for travelling or working elsewhere. They shall be reported at their homes if their absent period is less than three months. If they have been, or are going to be, absent from home for three months or more, they shall be enumerated at their destination.
- Students and pupils living in a school dormitory or a boarding house. They shall be reported at the dormitory or the boarding house but not at their homes regardless of the period of stay in the dormitory or the boarding house.
- In-patients in a hospital. They shall be reported at the hospital if they have been hospitalized for three months or more. If not, they shall be reported at their homes.
- Crew of a ship. They shall be reported at their homes.
- All residents of a camp and crew of a ship of the Self-Defence Force. They shall be reported at the camp or on the ship, but not at their homes.
- Persons in a prison or a detention house whose penalties have been fixed, and persons in a reformatory or the women's guidance home. They shall be reported at the institutions.
- Persons who have no address where they have lived, or are going to live, for three months or more. They shall be reported at the places where they stay at the census date.

- This questionnaire should be filled in separately for each household.

Special attention regarding the coverage of household members should be paid to the following cases.

- Lodgers:
  - Lodgers such as roomers and boarders living without their relatives shall be reported individually as a separate household.
  - Lodgers living with their relatives shall be reported together with their relatives as one household.
- Living-in Employees:
  - All living-in employees shall be reported together with their employer's family.
- Persons living in a dormitory or a boarding house:
  - Persons who live in a school dormitory, or in a boarding house for unmarried employees of a company, etc. shall be reported together as one household.

---

The census enumerator will call on you to collect this questionnaire on October.....

Please fill this out by that time.

If you have any question, please ask the enumerator or the city, town or or village office.
