You have now completed the Census Form.  
Thank you for your co-operation.

---

If there are more than 4 persons temporarily absent from the household on the night of Sunday 10 April, please ask your Enumerator for guidance.
Question H3 – Does your household own or rent your accommodation?
If you rent your accommodation (box 3), or live in it rent free (box 4), you should also answer the second part of the question ‘who is your landlord?’ Select the appropriate box (1, 2 or 3) to indicate whether your landlord is a ‘Private landlord’, a ‘Local Authority’ or a ‘Voluntary/Co-operative housing body’, regardless of whether or not you pay all or part of the rent yourself, or if it is paid on your behalf by the HSE or any other body.

Question H4 – If your accommodation is rented, how much rent does your household pay?
If the HSE or any other body pays part of the rent, only the amount paid by the household should be entered. Enter the amount to the nearest Euro and mark the box corresponding to the period covered e.g. if your household pays a weekly rent of €78.60 enter 79 and mark box 1. If all of your rent is paid on your behalf enter 0 and mark box 1.

Question 4 – Relationship
The relationship question is designed to determine families within households. This includes where there are two or more families in the one household. For example, a household consisting of an adult daughter living with her two parents and her own child would be counted as a two family household.

The example given below shows how the question should be answered for the child in this situation, where the parents are Persons 1 and 2 on the form, the adult daughter is Person 3 and the child is Person 4.

Mark one box only for each person.

Question 7 – Where do you usually live?
This question refers to your place of usual residence at the time of the Census. If you have lived at this address for a continuous period of at least 12 months before Census Night, or have arrived at this address in the 12 month period before Census Night with the intention of staying here for at least one year you should mark box 1 (HERE). If your usual residence is not here but is elsewhere in Ireland (including Northern Ireland) you should mark box 2 and write in your full address. If your usual residence is elsewhere abroad you should mark box 3 and give the country of usual residence.

The general guideline is that a person's place of usual residence is where he/she spends most of his/her daily night rest. The following specific guidelines should be used:

- Those away from home during the week who return to the family home at weekends should consider the family home as their place of usual residence.
- Primary and secondary students who are boarding away from home, and third level students at colleges or universities should consider the family home as their place of usual residence.
- If a person has spent or intends to spend 13 months or more in an institution such as a college, should consider that institution as their place of usual residence.
- If a person regularly lives in more than one residence during the year then the place where he/she spent the majority of the year should be chosen as his/her place of usual residence.

Question 8 – Where did you usually live one year ago?
This question is for persons aged 1 year or over. The guidelines in relation to Question 7 also apply to this question. If your place of usual residence one year before the Census was the same as now you should mark box 1 (SAME as now).

Question 9 – Have you lived outside the Republic of Ireland for a continuous period of one year or more?
This question is for persons aged 1 year or over. If your place of usual residence is in the Republic of Ireland and you were either:

- born in this country and lived outside it for a continuous period of one year or more, or
- born abroad and lived outside Ireland for a continuous period of one year or more,

then you should mark box 1 (Yes). You should also write in the year of last taking up residence in this country and the country of last previous residence.

Question 15 – Do you speak a language other than English or Irish at home?
If you do not speak a language other than English or Irish at home you should mark box 2 (No) and proceed to Question 16. This means those who speak only English and/or Irish at home do not have to report on their ability to speak the English language.

Question 16 – Do you have any of the following long-lasting conditions or difficulties?
For the purpose of this question a long lasting condition or difficulty is one which has lasted or is expected to last 6 months or longer or that regularly re-occurs.

Question 22 – Do you provide regular unpaid personal help for a friend or family member with a long-term illness, health problem or disability?
If you provide regular unpaid help as a carer regardless of whether or not you are in receipt of Carer’s Allowance/Benefit, you should mark box 1 (Yes) and write in the weekly number of hours of caring.

Question 25 – What is the highest level of education/training (full-time or part-time) which you have completed to date?
The categories distinguished in this question follow the National Framework of Qualifications (NFQ). Further details can be found at www.nfq.ie

Question 26 – What is the main field of study of the highest qualification you have completed to date?
This question is to capture post-secondary school qualifications only. If you have a number of qualifications, the field of study relating to the highest qualification only should be listed.

Question 27 – How would you describe your present principal status?
You should mark one box only to select the category which you feel best describes your present principal status. If you are on sick leave or maternity leave and intend to return to work at some stage you should mark box 1 (Working).

Question 34 – Address of place of work, school or college
Persons who leave the household to attend work, school or college should supply the full name and address of this place.

For children who attend pre-school facilities (e.g. crèche, kindergarten) outside the home, the full name and address of this facility should be supplied by the person filling in the form.
