1971 CENSUS FORM

NOTES

These notes are to help you answer some of the questions in Part B (for persons present). In cases where they also apply to Part C (absent persons) this is shown in Part C.

If you have any further difficulty with these, or any other questions, please ask the enumerator about them when he calls to collect your form.

B7 Job last week

- A job means any work for payment or profit. In particular it includes:
- (a) work on a person's own account
 - (b) part-time work, even if only for a few hours, such as jobbing gardening or paid domestic work
 - (c) casual or temporary work of any kind (for example seasonal work, week-end work and vacation work by students)
 - (d) unpaid work in a family business, for example a shop or farm. Unpaid work, other than in a family business, does not count as a job.

B8 Students

- Do not count as full-time students people who are:
- (a) on day release from work to attend school or college
 - (b) attending night school only
 - (c) attending an educational establishment provided by employers, such as an apprenticeship school.

B15 Employer's name and business

Describe the business fully and try to avoid abbreviations or initials. General terms such as 'manufacturer', 'merchant', 'agent', 'broker', 'factor', 'dealer', 'engineer', are not enough by themselves and further details should be given about the articles manufactured or dealt in.

For civil servants, local government officers and other public officials give the name of the Government department, local authority or public body and the branch in which they are employed.

For people employed solely in private domestic service write 'PRIVATE' in answer to this question.

For members of the Armed Forces see special note overleaf.

B16 Occupation

Full and precise details of occupation are required. If a person's job is known in the trade or industry by a special name that name.

Terms such as 'scientist', 'technician', 'engineer', 'machinist', 'fitter', 'foreman', 'checker' should not be used by themselves. Greater detail is required as for example —

woodworking machinist, civil engineer, toolroom foreman.

For civil servants, local government officers and other public officials give their rank or grade.

B17 Self-employed

'Self-employed, employing others' means having one or more employees other than 'family workers'. A 'family worker' is one who lives in the same household as the employer and is related to him. Although 'family workers' are not counted for the purpose of deciding whether an employer has employees, they should themselves be recorded as employees.

TO BE DETACHED BEFORE COMPLETING THE QUESTIONNAIRE

B18 Apprentices, etc.

Answer this question only for a person who is undergoing training for a period fixed in advance and leading to recognition as a skilled worker or technician or to a recognised technical, commercial or professional qualification or managerial post.

Do not answer this question for a young person undergoing probationary training who has not yet entered into formal apprenticeship.

B20 Place of work

For people who do not work regularly at one place or who travel during the course of their work (for example, sales representatives, seamen and some building and transport workers):

- (a) if they report daily to a depot or other fixed address give that address;
- (b) if they do not report daily to a fixed address write 'NO FIXED PLACE'.

For people such as building workers employed on a site for a long period give the address of the site.

For dock workers give the name and address of the dock or wharf at which they are usually employed.

B21 Means of transport

If the person uses different means of transport on different days give the means used most often.

Do not use terms such as 'public transport' or 'private transport' but give the actual means used, for example, 'train', 'bus', 'car', 'bicycle'.

SPECIAL NOTE FOR MEMBERS OF ARMED FORCES

At B15 (or, if appropriate, C5) give arm and branch of service.

If there are more than six persons present continue on a new form.
 (The enumerator will supply you with one if he has not already done so.)

1971 CENSUS FORM

NOTES

These notes are to help you answer some of the questions in Part B (for persons present). In cases where they also apply to Part C (absent persons) this is shown in Part C.

If you have any further difficulty with these, or any other questions, please ask the enumerator about them when he calls to collect your form.

B7 Job last week

- A job means any work for payment or profit. In particular it includes:
- (a) work on a person's own account
 - (b) part-time work, even if only for a few hours, such as jobbing gardening or odd domestic work
 - (c) casual or temporary work of any kind (for example seasonal work, week-end work and vacation work by students)
 - (d) unpaid work in a family business, for example a shop or farm.
- Unpaid work, other than in a family business, does not count as a job.

B8 Students

- Do not count as full-time students people who are:
- (a) on day release from work to attend school or college
 - (b) attending night school only
 - (c) attending an educational establishment provided by employers, such as an apprenticeship school.

B15 Employer's name and business

Describe the business fully and try to avoid abbreviations or initials. General terms such as 'manufacturer', 'merchant', 'agent', 'broker', 'factor', 'dealer', 'engineering', are not enough by themselves and further details should be given about the articles manufactured or dealt in.

For civil servants, local government officers and other public officials give the name of the Government department, local authority or public body and the branch in which they are employed.

For people employed solely in private domestic service write 'PRIVATE' in answer to this question.

For members of Armed Forces see special note overleaf.

B16 Occupation

Full and precise details of occupation are required. If a person's job is known in the trade or industry by a special name use that name.

Terms such as 'scientist', 'technician', 'engineer', 'machinist', 'fitter', 'foreman', 'checker' should not be used by themselves. Greater detail is required as for example:—

woodworking machinist, civil engineer, toolroom foreman.

For civil servants, local government officers and other public officials give their rank or grade.

B17 Self-employed

'Self-employed, employing others' means having one or more employees other than 'family workers'. A 'family worker' is one who lives in the same household as the employer and is related to him. Although 'family workers' are not counted for the purpose of deciding whether an employer has employees, they should themselves be recorded as employees.

TO BE DETACHED BEFORE COMPLETING THE QUESTIONNAIRE

The remaining questions in Part B do not apply to children under 15 years of age.

Answer questions B15—B17 in respect of the main employment last week, or of the most recent job if retired or out of work.
 For persons who have never had a job and for a housewife who did not have a job last week write 'NONE' at B15.

For all persons with a job last week.
 For persons with more than one job these questions apply to the main employment last week.

For women aged under 60 who are married, widowed or divorced.

B15 What was the name and business of the person's employer (if self-employed, the name and nature of the person's business)? (see note B15) <i>Give the trading name if one was used.</i>		B16 a What was the person's occupation? Give full details. (see note B16) b Describe the actual work done in that occupation. If there are more than six persons present continue on a new form. (The enumerator will supply you with one if he has not already done so.)

1971 CENSUS FORM

NOTES

These notes are to help you answer some of the questions in Part B (for persons present). In cases where they also apply to Part C (absent persons) this is shown in Part C.

If you have any further difficulty with these, or any other questions, please ask the enumerator about them when he calls to collect your form.

B7 Job last week

A job means any work for payment or profit. In particular it includes:

- work on a person's own account
- part-time work, even if only for a few hours, such as jobbing gardening or paid domestic work
- casual or temporary work of any kind (for example seasonal work, week-end work and vacation work by students)
- unpaid work in a family business, for example a shop or farm. Unpaid work, other than in a family business, does not count as a job.

B8 Students

Do not count as full-time students people who are:

- on day release from work to attend school or college
- attending night school only
- attending an educational establishment provided by employers, such as an apprenticeship school.

B15 Employer's name and business

Describe the business fully and try to avoid abbreviations or initials. General terms such as 'manufacturer', 'merchant', 'agent', 'broker', 'factor', 'dealer', 'engineer', are not enough by themselves and further details should be given about the articles manufactured or dealt in.

For civil servants, local government officers and other public officials give the name of the Government department, local authority or public body and the branch in which they are employed.

For people employed solely in private domestic service write 'PRIVATE' in answer to this question.

For members of Armed Forces see special note overleaf.

B16 Occupation

Full and precise details of occupation are required. If a person's job is known in the trade or industry by a special name use that name.

Terms such as 'scientist', 'technician', 'engineer', 'machinist', 'fitter', 'foreman', 'checker' should not be used by themselves. Greater detail is required as for example—

woodworking machinist, civil engineer, toolroom foreman.

For civil servants, local government officers and other public officials give their rank or grade.

B17 Self-employed

'Self-employed, employing others' means having one or more employees other than 'family workers'. A 'family worker' is one who lives in the same household as the employer and is related to him. Where a person employs 'family workers' only, a tick should be put against 'self-employed without employees' (but any 'family worker' should be recorded as 'an employee').

B18 Apprentices, etc.

Answer this question only for a person who is undergoing training for a period fixed in advance and leading to recognition as a skilled worker or technician or to a recognised technical, commercial or professional qualification or managerial post.

Do not answer this question for a young person undergoing probationary training who has not yet entered into formal apprenticeship.

B20 Place of work

For people who do not work regularly at one place or who travel during the course of their work (for example, sales representatives, seaman and some building and transport workers):

(a) if they report daily to a depot or other fixed address give that address;

(b) if they do not report daily to a fixed address write 'NO FIXED PLACE'.

For people such as building workers employed on a site for a long period give the address of the site.

For dock workers give the name and address of the dock or wharf at which they are usually employed.

B21 Means of transport

If the person uses different means of transport on different days give the means used most often.

Do not use terms such as 'public transport' or 'private transport' but give the actual means used, for example, 'train', 'bus', 'car', 'bicycle'.

SPECIAL NOTE FOR MEMBERS OF ARMED FORCES

At B15 (or, if appropriate, C5) give arm and branch of service.

At B16 (or C8) give rank or rating only.

Questions B17 (or C7), B18, B19 and B22 need not be answered.
